Dear INS Members,

It is our great honor to invite you to attend the market introductory cadaver practical workshop for the Freedom Spinal Cord Stimulator (SCS) System, which will be held in Budapest on August 30, 2014. The workshop will be held at Semmelweis University Labs, located at H-1091 Budapest, Ullot ut 93, from 9am to 1pm.

This practical workshop will focus on mastering the Freedom SCS System Instructions For Use by teaching the necessary skills and techniques on the options for proper implantation and programming of the system. By the conclusion of this workshop, attendees will understand the features, approved indications and overall benefits of using the Freedom SCS System.

Please confirm if you can join us via email to: carley@stimwave.com and m.ceredi@fimo.biz. All attendees must RSVP no later than July 28, 2014 to ensure a hotel room and cadaver station. We would also like to invite you to a welcoming dinner on the evening of August 29, 2014. Arrangements will be detailed to each participant once attendance is confirmed. Additionally, please contact the Italian INS Secretary, Maddalena Cerredi via email at: m.ceredi@fimo.biz to coordinate all travel arrangements.

Thank you for being a part of the Stimwave practical workshop and we look forward to seeing you in Budapest. If you have any questions, please do not hesitate to contact me directly.

Sincerely,

A handwritten signature in black ink that reads "Carley Gillen".

Carley Gillen
